The SENDAI CITY tourism video, “ Road to Recovery of SENDAI ～See and feel how Sendai and the Tohoku Region are recovering from 3/11～, is seen at the site of youtube, starting from today.

This video shows the recovery of SENDAI from the Great East Japan Earthquake.

In Sendai, a large number of people were killed by the earthquake and tsunami, and the amount of damage is up to a trillion yen. Nevertheless, in this video, you can find that Sendai and Tohoku region starts to take steps toward recovery.

Sendai City would like visitors to see with their own eyes the steps that have been taken towards reconstruction and hope they will spread the word that it is safe to visit.

Visiting SENDAI and the Tohoku Region will help us recover faster. Would you like to experience world class hospitality in the Tohoku Region?
